

# MPA AMPLIFIED

## Spreading Education and Innovation

### Medical Psychiatry Alliance

2019 Annual Conference

Tuesday, October 8, 2019

Chelsea Hotel, 33 Gerrard St W, Toronto

Hosted by the University of Toronto

#### KEYNOTE SPEAKER

#### Catherine Reinis Lucey, MD

Dr. Catherine R. Lucey is Vice Dean for Education and Executive Vice Dean for the School of Medicine at the University of California, San Francisco (UCSF). She directs the undergraduate, graduate and continuing medical education programs of the School of Medicine and the Office of Medical Education. Dr. Lucey is on the executive management team for the School of Medicine's Differences Matters Initiative and oversees other strategic initiatives for the medical school and the campus.

#### WORKSHOPS/THEMES

- Building Teams for Integrated Compassionate Care
- Collaborating with Clients and Families to Develop Medical Psychiatry Education
- Improving Communication with Patients Through Education
- Preparing Providers to Manage Individuals with Complex Physical and Mental Health Needs
- Leveraging Technology for Enhanced Education
- Training and Support in System Navigation for Patients and Family Members
- Measurement Based Care and Quality Improvement

#### PANEL DISCUSSION: Integrating Medical Psychiatry Across the Learner Continuum

The Medical Psychiatry curriculum and interactions have spread beyond the boundaries of the classroom, following our health professions learners from their first steps into their professional training and into their clinical practice. Meet our panelists and discover how novel training and capacity building programs have influenced integrated mental and physical health.
